RE: It's Now or Never quarterly filing

FEC ID: C00519785

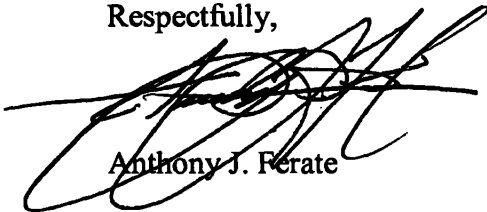

Dear Sir or Madam:

As It's Now or Never sought to comply with FEC filing requirements, the organization realized electronic password difficulties with the online filing system. In order to provide substantial compliance with the filing deadline, please accept this hard copy of our filing.

If the FEC requests that It's Now or Never do so, we will re-file the documents electronically once the password troubles have been corrected.

I welcome your calls if you have any questions.

Respectfully,

Anthony J. Ferate
